## DEDICATION

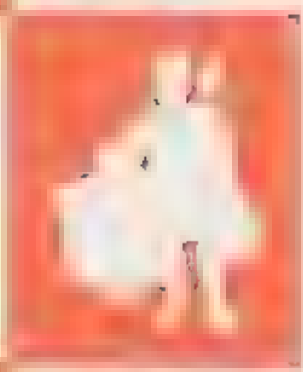

W e, the Tartan Staff, dedicate this, the 1961 edition of the Tartan, to Mr. L. Linton Deck, Jr., for his dedicated leadership and guidance since Headland's beginning in 1956.

As counselor and teacher, he contributed greatly to the establishment of the high principles and standards that have been maintained at Headland. Through his suggestion, the name "Headland Highlanders" was chosen for members of our student body.

To Mr. Deck we extend our congratulations on his appointment as Principal of Lakeshore High School, and wish him success and good fortune in the years to come.

## INTER-CLUB COUNCIL

Co-ordination of the activities of Headland's many organizations is achieved through the efforts of the Inter-Club Council. Its membership is composed of all club presidents and vice presidents, and they work together to avoid conflict in meeting dates and to establish a greater sense of unity among the school's various groups. Their major project for the year is to stimulate interest in the Honor Code being formulated by the Student Council.

## STUDENT COUNCIL

Providing a concise, centralized unit through which students and administration can meet and work out their problems, the Student Council not only promotes a good student-faculty relationship, but also provides an excellent example of the benefits of working democracy. It is responsible for the chartering of all clubs, for the operation of the Hall of Fame, and for setting the rules for school dances. This year's Student Council initiated the practice of mimeographing the minutes of its meetings to keep the student body informed of Council activities. Plans for the year include the revision of the three-year-old school Constitution, the introduction of a sub-freshman orientation program, and—most important—the initiation of an Honor Code.

Virtue itself is its own reward; but for those Highlanders with records of outstanding Character, Scholarship, Service, and Leadership, there is another reward almost equally important — membership in the National Honor Society. It is the highest honor that can be given to a high school student, and it is not one that can be

casually gained. From among the students whose scholastic records and other qualities for membership the faculty chooses those who possess the other necessary qualities. These people are then inducted into the Society at a surprise assembly held for that purpose.

This year saw the formation of the Georgia State National Honor Society, and one of the representatives from Highland, Al Coppedge, was elected Vice-President of the State Chapter.

## WITH SERVICE, CHARACTER

### CIVITANS AND CIVINETTES

Opportunities to be of service to their community or fellow students are seldom overlooked by the energetic Civinettes and Civitans. Choosing its members on the basis of contribution to good citizenship and high academic standing to keep club standards high, the clubs are constantly working to attain their goal of helping to form a fine community, better school life, and a stronger home. This year they not only sponsored the annual Frosted Fantasy but also a school Clean-Up Week. They sold programs and acted as ribbon marshals at the East Point Horse Show; and to earn money to send representatives to the State Convention, they spent a Saturday washing cars.

### KEY CLUB

Organized as a service club for the school and its community, the Key Club is always ready to support such beneficial projects as the Muscular Dystrophy drive. They took charge of the collection of money at school for the March of Dimes, and at Christmas they collected clothes and prepared a food basket for a needy family. Their contribution to recreation was the Turkey Hop at Thanksgiving.

### FROM CURIOSITY, KNOWLEDGE

Asking questions is an excellent way to learn, but an even better method is that used by the Searchers: ask the question, then find the answer yourself. Experiments, discussions, lectures, and field trips are some of the ways in which they find their answers. Any one taking general science, biology, chemistry, physics, or any other science is eligible for membership

## DEBATE TEAM AND CAST OF CHRISTMAS PLAY

Shakespeare is studied in the classroom because the teacher demands it, but members of the Drama and Debate Club study his works and those of other great playwrights because they love the theater and want to be able to understand and enjoy its masterpieces.

Aside from studying the plays and playwrights themselves, the would-be Garbos and Gables learn poise, diction, expression, and the arts of makeup, lighting, and scenery painting. The club's main project is the production of *The Robe* which is this year's Senior Play, but they also produced a Christmas play, *The Little Shepherd of King*, and acted as an audience while the Debate Team perfected its art.

## WITH CO-OPERATION, CREATIVITY

### TARTAN STAFF

Capturing the spirit of a school between the pages of a book is no easy task, but it is the problem which the members of the Tartan staff must solve in the short space of time from September to June. As the dreaded deadline draws near, it seems the goal will never be achieved, but staffers—by skipping classes, infuriating teachers, and screaming at each other—eventually manage to create the treasury of memories which becomes more and more precious as the years go by.

Gaining practical experience in journalism while keeping Headland students informed on the latest news, the staff of the Tam O'Shanter has good reason to take pride in what it has accomplished. The policies of the paper are: (1) to print unbiased, factual information, (2) to establish stronger bonds of friendship between students and teachers, and (3) to provide a means of expression for creative ability of members of the Headland student body.

## WITH KNOWLEDGE, UNDERSTANDING

### FRENCH CLUB

Studying the culture of a people is a big step toward the kind of understanding which will eventually lead to world peace, and it was with this thought in mind that the French Club was formed. Its goal is to stimulate interest in France and its people and language and to provide activities which supplement and extend classwork while making it fun. To this end a day is set aside each year for the invasion of the school by students seeking admission to the club, dressed as French peasants and wearing paper plate hats.

## LOS ALTENITOS

Knowledge of the customs and language of a country leads to a better understanding of its people, and this is the goal toward which Los Alténitos are working. They learn the Spanish language, dance traditional dances, play folk games, and sample Spanish customs such as the Christmas piñata. Initiation of new members means Burro Day, in which candidates become lowly pack animals—complete with ears and tails—belonging to the old members.

The Spanish Club has presented a P.T.A. Christmas program and earned money to buy tapes and records for the Language Department.

## LATIN CLUB

Getting into the spirit of ancient Rome, members of the Latin Club fulfill one of their purposes: to gain a better understanding of Roman civilization. A part of the understanding they gained concerned the slaves of Rome, and this knowledge they promptly put to use. Slave Day is the common title given to the agonies undergone by Latin students seeking to become members of the club. The patrician slave-owners (established members) make the most of their day of glory, ending it with a slave-served banquet. The club crowned its achievements this year by becoming a member of the Junior Classical League.

## FUTURE NURSES OF AMERICA

Preparing for careers in the medical world, members of the Future Nurses of America club study first-aid and do volunteer work in Atlanta hospitals. Through speakers and attendance at open house held by various hospitals the members learn first-hand the actual duties and rewards of nursing.

The club's major project was readying and delivering Christmas presents to hospitalized children.

## FUTURE HOMEMAKERS OF AMERICA

Furthering interest in home economics, encouraging democracy in home and community life, and working for good home and family life for all are the worthy goals of the Future Homemakers of America. To promote interest in homemaking, the club has interesting programs on sewing, cooking, flower decorations, silver and china, first-aid and modeling.

They benefit the entire school by sponsoring teas, fashion shows, and the annual Valentine Dance.

## FUTURE TEACHERS OF AMERICA

Exploration in the field of education and its opportunities and rewards is only a part of the work done by the Future Teachers of America Club in preparing its members for careers in teaching. Through practice teaching and working as teacher's aides, members get a better idea of what a teacher's job is really like.

One of the most active clubs in Headland, the F.T.A., has set up a scholarship program for its members, built and worked at a booth at the Southeastern Fair, published the school handbook, attended the state convention, and helped new teachers get settled.

## FROM ACCOMPLISHMENT, PLEASURE

Keeping busy is no problem for members of the Art Club. Aside from making posters to advertise school activities, doing art work on programs and invitations, and stenciling ribbons for football games, they work to gain a better understanding of and respect for the art in the commonplace things around them.

## FUTURE BUSINESS LEADERS OF AMERICA

Looking ahead to the time when they must choose their life's work, the Future Business Leaders of America study existing business conditions and work to develop the skills necessary for success. Speakers from the business world and skits produced by members illustrate important points and correct methods.

The club sponsors the annual Bunny Hop at Easter and pays for the awards won by students in the Business Education Department.

## YOUTH FOR CHRIST

Wisdom and knowledge come through association with others, and the girls and boys who attend the weekly Youth for Christ meetings find strength not only for their spirits but for their minds as well. Missionaries, ministers, and members — all these work together to bring to the members programs that not only inspire but inform.

## Y-TEENS

Open to girls in the eighth, ninth, and tenth grades, the Junior Y-Teens group is a credit to its sponsor, the Y. W. C. A. It offers fellowship, recreation, and an opportunity to develop leadership abilities, which otherwise would remain undeveloped.

## THROUGH SHARING, LEARNING

### LIBRARY STAFF

Without careful organization the world's best library would be useless, and it is the duty of the Library Staff to see that Headland's library operates at peak efficiency at all times. Under the competent direction of Miss England, books are so arranged, marked, and catalogued that any volume in the collection can be produced on a moment's notice.

*At first table:* Wayne Hooper, John Heyer, Johnny Colburn, Kenneth Lewis, Melody Ramsey, Priscilla Wallace, Ann Hyde. *At second table:* Lynda Lambeth, Dale Craddock, Cheryl Barksdale, Carol Hatchell, Judy Carwile, Bari Peak, Diane Marshall, Becky Landers. *Standing*

IN HARMONY, JOY

"Such sweet soft notes as yet musicians cunning never gave enraptured air." Browning. immortal quotation might have been written to describe Headland's choral groups. Membership in the "A" Chorus is based on having a fair voice, a correct ear, some musical knowledge, and regularity in attending programs and classes. Its aims are to develop enjoyment from ensemble singing, proper tone production, blending of tones, good diction, and ability to follow directions.

## BAND

Talent, planning, and practice—hours and hours of practice—are the ingredients which make a superior band; and the Highlander band has these in abundance. The stirring music and flashing color added to football games and pep rallies by the band does a great deal to foster the pep and spirit which has come to be associated with Headland.

The weather was cold, but the music was hot

### COUNSELOR'S STAFF

Typing, filing, checking records, finding lost papers (or people) — you name it, the counselor's staff does it. Composed of students who wish to contribute a service to the school and earn activity credit, they are the clerical and secretarial force who take the burden of masses of paper work off the counselor.

Serving lunch to twelve hundred people is no small chore, but these boys do it every day. The cafeteria staff, who do everything from cashiering to washing dishes, help make possible the economical lunches that we enjoy.

Helping to keep the office running smoothly, the office staff has to do all sorts of errands and odd jobs. These workers, who are on duty during every period of the day, call people from class to the office, file necessary documents, answer the phone, and do various and sundry other tasks.

## COACHES

Headland is indeed fortunate to have four experienced and efficient coaches. Not only have they organized fine ball clubs, but they have also molded the members into successful players.

Coach Lang, Headland's head football coach, has skillfully guided his team in the right direction. This well-coached football team averaged 18 points per game, while allowing their opponents an average of less than 12 points per game. Close by Lang's side was Coach Thorn, who worked diligently to help make the Highlanders an excellent team. This year's champion boys' basketball team was coached by conscientious Coach Jones. Steadfast and hard-working, Coach Jones has enabled this team to go higher up the ladder of success than ever before. Coach Vaughn's Lassies proved that basketball is not a sport for boys only. His baseball team was also caught up in the Highlander spirit, playing many excellent games this season. To these four, we give our heartiest congratulations for such splendid work in the athletic program at Headland.

Coach T. P. Jones Coach Eldridge Vaughn Coach Bill Thorn

Boy, what a first half!

## FALL MEANS FOOTBALL

Our boys had that Highlander spirit as they stopped Hapeville in the season opener, 13-7. This was only a preview of the fine season to come. The excellent passing of Quarterback Robinson, the running of Buddy Phillips, and the commendable play of both the line and the backfield produced a 13-7 season record, our best yet.

The College Park game resulted in the same score as in the 1959 season. A 16-yard pass to Tom Williams from Robinson, with 15 seconds left in the first half, put the Highlanders ahead, 7-0. But the Rams' Larry Bruce led the College Park attack in the second half and the final score was knotted in the final seconds.

Individual scoring went like this:

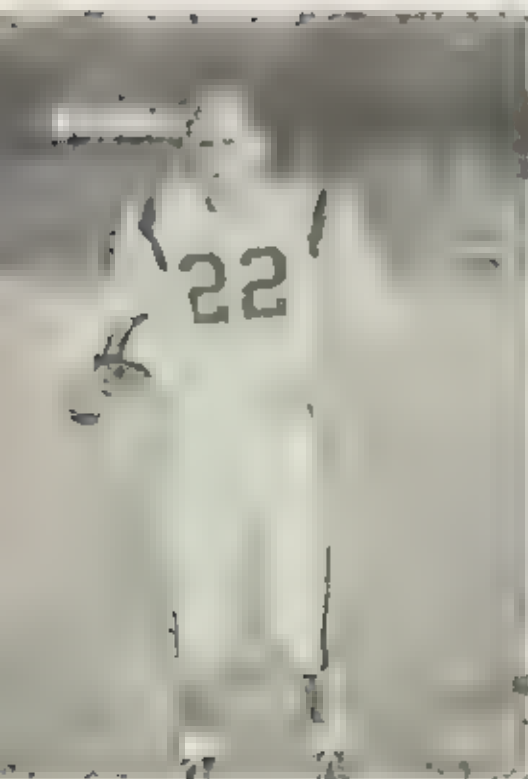

Player	Points	Player	Points
Phillips . . . .	79	Clark . . . .	8
Robinson . . . .	30	Green, Bobby . . .	6
Green, Randy . .	14	Williams . . . .	6
Johnson . . . .	13	Coppedge . . . .	6
Plunkett . . . .	10	Littlepage . . . .	6

After the 80-yard punt return by Headland's Buddy Phillips, the Eagles of North Carolina edged over a touchdown and briefly led, 7-6. But this didn't suit the Highlanders, who scored their second touchdown of the night on the last play of the first half. Twenty more points were added in the second half to make the final score 32-7. The Highlanders then possessed a 2-0-1 record, with Newnan the next opponent.

Newnan's undefeated Tigers were still undefeated after their battle with Headland. The Highlanders met their Waterloo in the well-balanced attack and excellent depth of Newnan. Our boys fought hard, but the final score was 38-6 with Headland on the short end of the score.

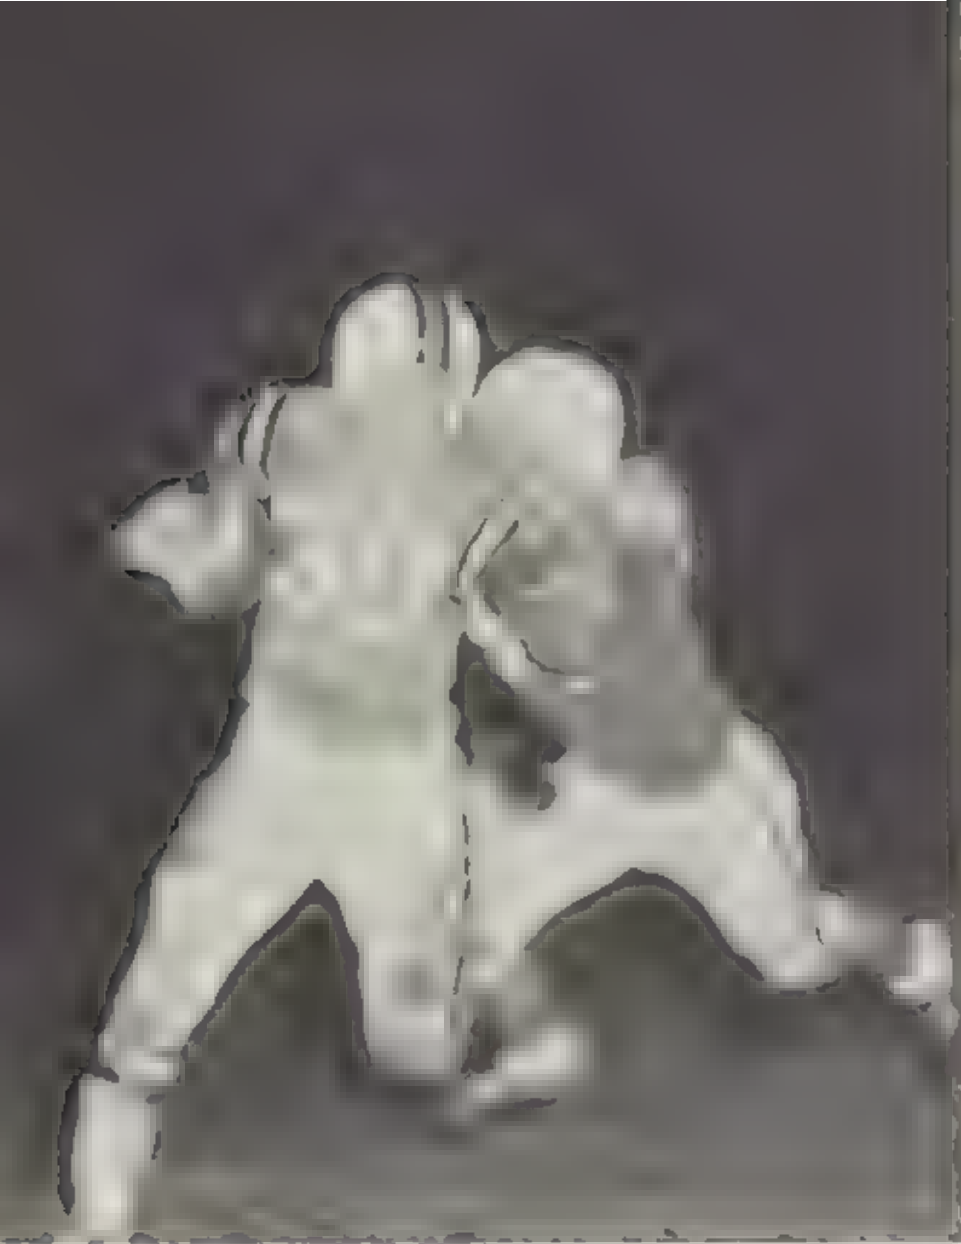

Fairburn's Bears almost trapped Headland, but thanks to a pass from Quarterback Robinson to George Johnson and James Plunkett's extra point, the Highlanders managed by a 7-6 score to stay in the sub-region race. Fairburn injuries continually marked this game. Highlanders then had to travel to Alameda to tangle with the undefeated and highly rated Milton E.

Now, you get that, Bob?

All was sad in Alpharetta as the boys from Headland backed by outstanding line play and determination to spoil Milton's Homecoming, handed Milton their first defeat of six outings, 26-0. Buddy Phillips, George Johnson, and Gary Littlepage accounted for the four touchdowns; and James Plunkett added the two extra points to make it the highlight of the Highlander season.

Is it a Ram or a seal?

Having never previously won a Homecoming game, the boys from Headland thought it was time to end this "Homecoming Jinx." This they did by downing Douglas County, 21-6, before an excited Homecoming crowd. With fine playing up front from boys like Randy Green, Richard Redden, Dennis Dunagan, Bob Buttrey, and Bobby Green, the backfield swept continually down the field. Halfback Phillips scored twice; and Jim Robinson consistently found his mark—one of his targets being John Doris, who caught three passes for good yardage.

Westminster's "wild" Wildcats wound a spell around the Highlander defense and walked off with the sub-region title with a score of 19-6, in our eighth game of the year. Westminster's Peyton Robinson ran the offensive show all night. The Wildcat defense proved difficult for the Highlanders to break through. Tackle Al Coppedge, blocking a punt in the Westminster end zone, fell on the ball to score six points—the only touchdown for Headland. Plunkett's extra point was blocked, ending our scoring for the night and handing us our second and final loss of the year.

Hey, get your finger out of my mouth

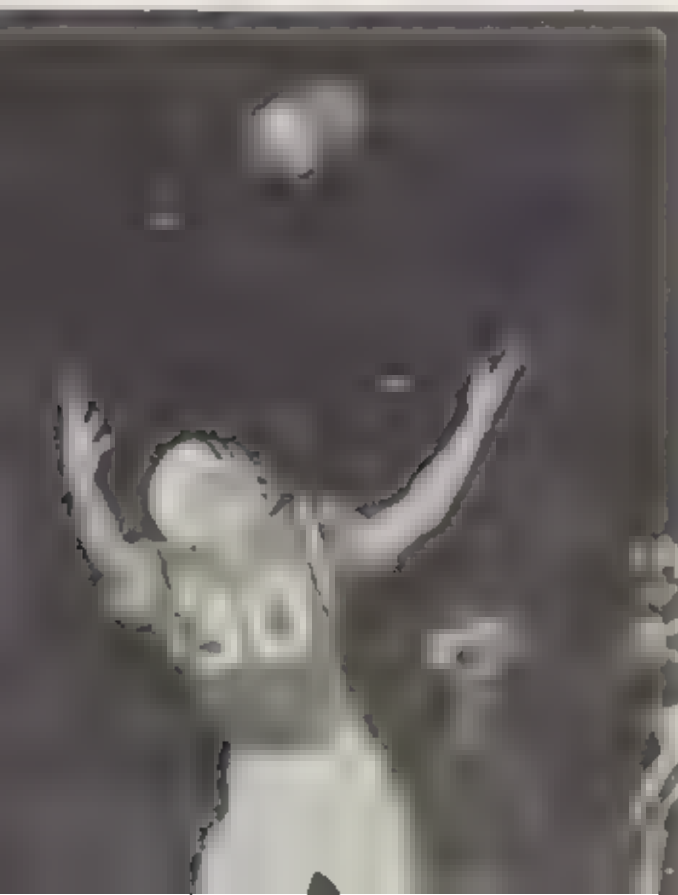

Our ninth game of the season, played against Forest Park, was quite a victory for the Highlanders. Lengthy runs by the new fullback, Randy Green, and other members of the backfield pushed the Highlanders into a 20-point lead with a final score of 47-16.

Forest Park's field, like our second home to the Highlanders this season, was the scene of a total of 79 points earned in two games.

When the final whistle blew in the Sandy Springs game, Headland fans were greatly relieved, for the Panthers, with seconds remaining, had pushed the ball to the Highlander one-foot line. A touchdown would have proved fatal, but time ran out with the final score, a shaky 13-12 victory for the Highlanders.

Jim Robinson, our ace quarterback, entered the "1,000-yard-gained" class in passing during this game. During the past several years, Robinson's passing has helped make the Highlander offense one of the most potent in the state.

Not only did Buddy Phillips do a fine job on offense during this game, but he also showed the homefolks his defensive talents, his efforts being responsible for stopping several Panther drives.

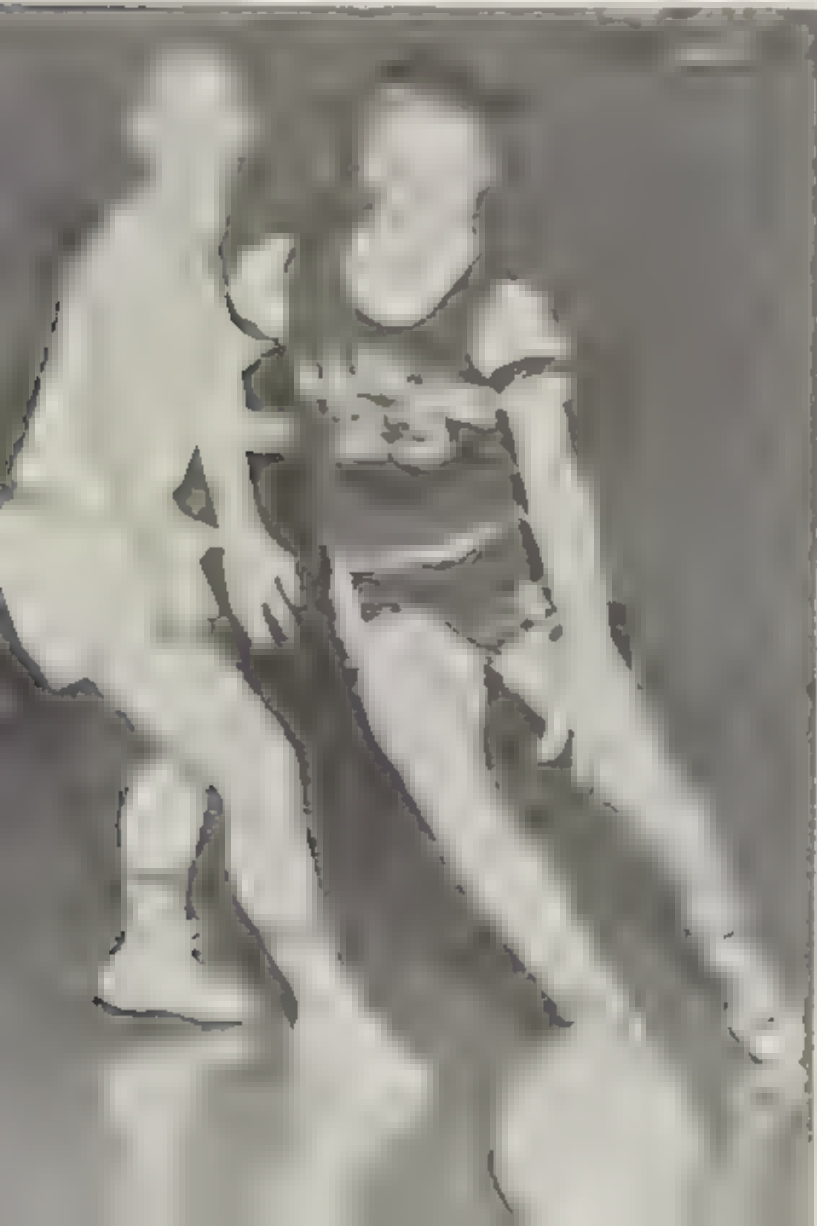

# S T A T E

Headland's boys' basketball team emerged as State Champions after ripping past excellent opposing teams in the State Tournament at the Alexander Memorial Coliseum.

The boys from West Fannin of Blue Ridge were the first to fall, as Robinson, with seconds remaining, hit the important foul shots that put the Highlanders ahead to stay.

Newton County, tournament favorites with a 29-0 record, fell behind in the second quarter. Wayne Johnson, despite a sprained ankle, plastered the Rams for 21 points.

## CHAMPIONS

After a close game with Tifton, James Plunkett pushed the Highlanders on to tie the score at 46-46 in the last two seconds of the game. Scoring during the overtime gave Headland a 49-46 victory, making the twelfth straight win and giving the Highlanders the much wanted State Championship.

This year's fight to win the Subregion, Region, and State Championships will live in the memory of all the Highlanders as the best season experienced by the boys' basketball team.

\*Overtime

The beginning of the road towards the State Championship was not easy. Marist's Cadets trimmed the Highlanders by sixteen points, to bring us our worst defeat of the season. LaGrange's Grangers also spilled Headland, 62-54, even with Wayne Johnson and Jim Robinson scoring nineteen points each.

Each member of the team played a part in making our record memorable. Here is what we remember about each:

Jim Robinson	Our captain, the backbone of the team
Wayne Johnson	Dynamite comes in small packages.
Jim Couch	Couch was no slouch, especially at rebounding.
Chipper Gallagher	Our hook shot specialist
Gary Ponder	He'll really be a help next year
Fitzie Childers	A great player, especially around tournament time this year.
James Plunkett	Plunkett sunk it when it counted most
Hugh Causey	Bo is a good man to have around.
Bob Grayson	He took up where Wayne left off
Bob Buttrey	He's just getting started.
Fred Elsberry	Old Fred never played dead
Jay McDuffie	Youngest man on the team and a promising player

The Christmas Tournament brought a defeat for the Highlanders as opposing team Russell held the score to 51-44

Jim Robinson hit 13 out of 24 field goal attempts and five out of seven foul shots for thirty-one points against Sandy Springs. The Highlanders totaled eighty points in this game, the most scored since the eighty-three against Avondale in 1959

Tied with Westminster for first place in the region, the stage was set for the first of three battles with them. Headland won two of the three.

Although we grabbed sole possession of first place with the first encounter, Westminster retaliated and stopped Headland, 53-49, on the second attempt. This gave the Highlanders our only AA defeat of the season and also left Headland tied for first place until the Subregion tournament

Chipper Gallagher

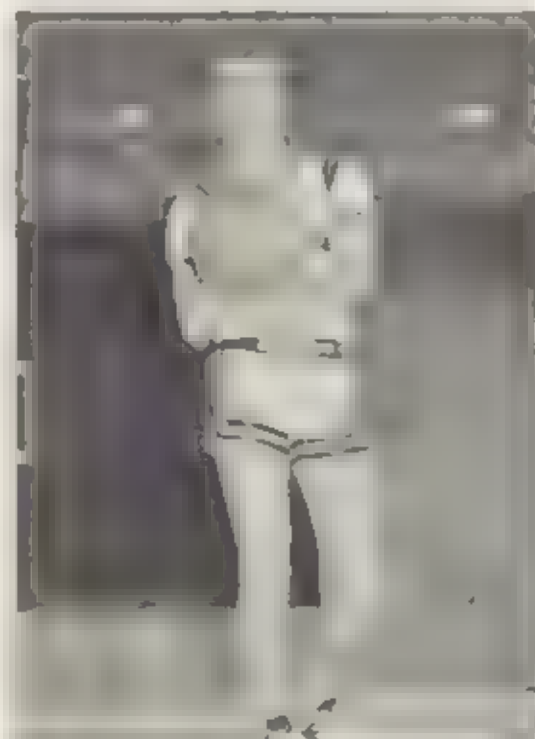

Despite cold shooting from the Highlanders, Milton was defeated, 58-50. This set Headland in the position for the title match against Westminster in the Subregion Tournament.

Our team won the Subregion title for the second year in a row, in one of the greatest comebacks in Highlander history. Ahead by 9 points at halftime, Westminster seemed to have her first Subregion title cinched. Using a full-court press led by Wayne Johnson, the Highlanders allowed the hapless Wildcats no points during the entire third quarter, however. This, coupled with 17 points scored by Gallagher, Couch, and Robinson, put the Highlanders ahead at the end of the quarter, 41-33. It was easy sailing to the Championship from here, as the final score read 65-52, Headland's favor.

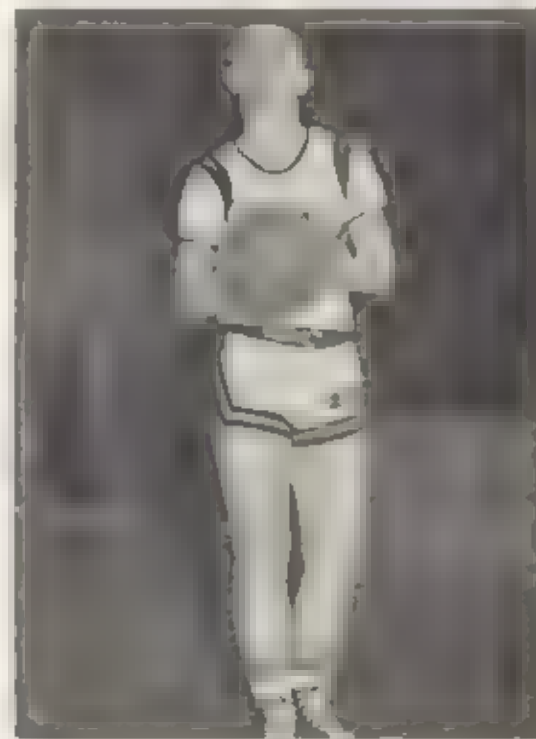

The Regional title came at the expense of Fairburn. Trailing by eight points with less than three minutes to play, Jim Robinson hit three straight shots and Fitzie Childers tied the score on a crisp shot. James Plunkett sunk the winning points in the sudden death overtime period.

## GIRLS' BASKETBALL

Although it proved to be a losing season, the true Highlander spirit was displayed throughout by the members of the girls' basketball team.

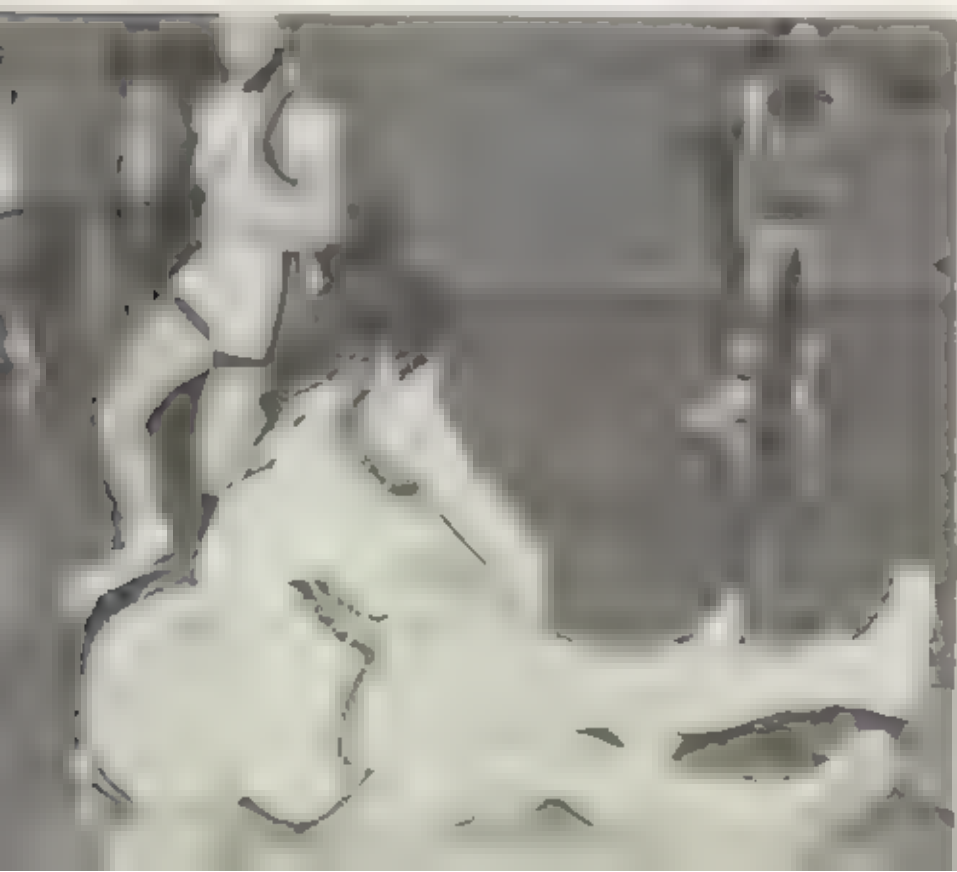

With Linda Howle and Priscilla Boyd as Co-Captains and great coaching from Coach Vaughn, the season's opener against North Clayton was one of victory for the Highlander Lassies. Thanks to the outstanding defensive game played by Priscilla Boyd, Betsy Stover, and Jan Davis, the Lassies won, 33-20.

The next two outings registered a loss to Newnan and a win against Milton. Nancy Oshman was credited with 10 points against the tough Newnan team; Kay Fowler personally handed Milton a defeat by scoring 26 points.

That's the way to fight for the ball.

Howle hits again

The Hapeville game was marked by a large number of fouls against the Lassies; three guards and a forward fouled out for Headland.

The scales were balanced evenly in the game with Sandy Springs until the end of the third quarter, when the score was tied 28-28; but the game slipped through the Lassies' hands, leaving a score of 43-32.

Though the record registered three losses and only two wins, our girls were not discouraged. They bounced back against Milton, defeating them for the second time by a score of 44-18.

Russell's Marsha Quinn stopped the Lassies in the Christmas Tournament by scoring 40 points. Despite Kay Fowler's 20 points against Douglas County and Linda Howle's 15 against Westminster, the Lassies lost both of these games. The next game was also a defeat as Sandy Springs tripped the Lassies for the second time.

Against Douglas County, the duo of Fowler and Howle scored 11 of Headland's 44 points. This was not enough, however, for the Lassies lost, 53-41.

After taking losses to College Park and Westminster, the girls faced Hapeville. This proved to be another loss, 58-39.

Despite a great defensive effort, the Lassies were again unable to stop College Park. The 20 points scored by Linda Howle and 7 points by Betsy Stover, playing her first game as a forward, failed to slow down Newnan, and the cause was lost, 41-29.

'Hey, Kay, you can't run with the ball!'

Probably one of the best games of the season was played against Fairburn. Again Howle and Fowler led the way with 15 and 12 points respectively. Nevertheless, the Lassies came out on the short end of a 28-33 score.

In the Subregion Tournament, the Headland girls faced Hapeville. Rugged play under the backboards by Elise Henson and Linda Howle's 24 points were not enough to stop the capable Hapeville team.

Hendland tied some her sharp shooting from Kay Fowler and Linda Howle who averaged 70 and points per game respectively.

## THE QUEEN IS CROWNED

Eleven of Headland's loveliest girls, members of the Homecoming Court, moved onto the muddy football field during the halftime of the Headland-Douglas County game.

Two representatives from each of the under-classes and three from the Senior Class were elected to the Homecoming Court. From the three Seniors, the Queen was chosen to be crowned.

As the band finished its halftime performance and the members of the Court with their escorts began to move across the field the feeling of suspense filled the air. Mr. Deck's announcement of Jane Hester as our Queen for 1960 brought many squeals of excitement. Captain Al [redacted] accompanied by Co-Captain John [redacted] crowned Jane the new Queen.

After the game, which was a solid victory for Headland, the Queen and her Court were honored at the Homecoming Dance.

Twelfth grade representatives Penny George and Cynthia Shedd, along with Queen Jane, watch our boys stop Douglas County.

Although Headland's baseball team won only a few games last season, the players gained much valuable experience. Pitcher-captain Jimmy Robinson played fine ball all season and was placed on the Greater Atlanta All-Star Team.

With the able guidance of Coach Vaughn, Headland's team should be well in line for the region championship.

Headland's track team—by defeating College Park, North Clayton, and Russell—placed third in the region last year. The Highlanders, however, took defeats from Sylvan, G.M.A., and Newnan.

Robert McWatters, Al Coppedge, and James Clark participated in the regional track meet held at Westminster in the 1960 season. They, along with other lettermen, promise to make the 1961 season's record even better.

## BOWLING TEAM

Bowling, a sport that is growing by leaps and bounds, has caught the interest of many Highlanders.

Many enthusiasts, including a large number of girls, are representing Headland in the South Fulton County High School Bowling League.

One of these teams, pictured at the right, won the Mayor's Trophy last year. They compiled a 30-9 record, defeating Russell for their 30th win and the championship. Thus far this year they have a 24-0 winning record.

## SOCCER

Soccer, a sport which most people know little about, had its opening season at Headland this year.

A team consists of 5 forwards, 3 half-backs, 2 full-backs, and a goalie. A player may butt the ball with his head but is not allowed to touch it with his hands. The object of the game is to kick the ball through the opponent's goal.

Success in athletics depends not only on the players, but also on others as well. Cheerleaders, who spend long hours in practice, cheer in bone-chilling weather, decorate our bulletin boards, and plan our Pep Rallies, play a very important part in this program. To these, who in victory shout with enthusiasm—in defeat, cheer to inspire other successes, we give our most sincere "thank you."

We the 1961 graduating class, the first to complete a full five-year career at Headland High School, leave with a feeling of mixed emotions—sadness at the realization of leaving the friends, teachers, and familiar surroundings of the past, but with anticipation of the experiences to be had in a new and different life ahead. The many memories of the past years will be cherished always.

The 1961 Senior Class has gained much from these years at Headland. We hope that it has made equivalent contributions to the future of the school.

May the love of learning, instilled during the years at Headland, be only the beginning of our journey in the quest for knowledge and wisdom.

Newest to join the Highland Clan, Headland's Sub-Freshmen are rapidly becoming accustomed to the "hectic" high school life. With their increasing enthusiasm for learning, they will no doubt acquire the necessary foundation to become Headland's leaders of tomorrow

As time nears for the Tartan to go to press, the editors discuss what remains to be done

## A WORD FROM THE EDITOR

Through countless trials and triumphs, crises and moments of elation, the Tartan Staff has derived a great deal of satisfaction from producing this publication as a record of life at Headland High School during the 1960-61 school year.

We hope that we have succeeded in bringing a full, well-rounded account of the major happenings at Headland. It was our desire to produce a book that would bring a feeling of pride to each and every individual—one that would bring fond reminiscences in later years.

There have been times when we have . . . put away our studies, locked ourselves in our rooms for hours, and burned the "midnight oil" . . . interrupted the normal routine of numerous classes for seemingly endless picture-making . . . suffered many a chill from supervising picture-taking in the rain and cold . . . been disappointed because the pictures didn't arrive on time or didn't turn out as planned . . .

written endless copy, designed dozens of layouts, and racked our brains for captions . . . suffered anxiety and fear that our efforts would be in vain . . . endured the strain of concealing the precious secrets of the contents and cover from constantly inquiring classmates . . . felt that we would never meet our deadlines on time . . . but through it all, we feel that it has been a worthwhile endeavor.

It is difficult to express the gratitude felt toward the faculty and student body for their cooperation during the many months of compilation of this publication. We extend special thanks to Mrs. Simpson for her time and efforts expended while serving as the Faculty Advisor.

If our fellow Highlanders enjoy looking through this book half as much as we have enjoyed compiling it, we shall feel that our efforts have been worthwhile.

"His sun went down in the morning,  
While all was fair and bright;  
But 'twas not an eclipse of darkness  
That hid him from our sight:

"For the valley of death was brighter  
Than the hills of life he trod,  
And the peace that fell on his spirit  
Was the calm, deep peace of God.

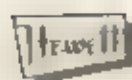

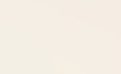

"His sun went down in the morning,  
While all was fair and bright;  
But it shines today on the far-away hills,  
In the land that knows no night."

It has been a  
real pleasure having  
you in Latin. I know  
the next few years  
will be a wonderful  
experience for you.  
Always remain as  
fine as you now  
are.
